

Marching Band Uniform Committee Sign-Up 2019-20

Marching Band & Color Guard parents, we need volunteers!
No Experience Necessary

Want to get involved at WVHS? Don't have a lot of "spare" time? Want to meet other marching band parents? Why not sign up to be part of the WVHS Marching Warriors Uniform Committee? It's easy! Members of the Uniform Committee sign up ahead of time for performance dates to help kids get ready in uniform for games, competitions and parades. See the reverse side for more details on committee duties.

If you're interested in joining this committee, please indicate your interest below for the given performance. We are attempting to include as many volunteers who desire to participate. We will, therefore, e-mail or call you to confirm the dates you are assigned.

If you have any questions, please call **Jennifer Cassidy at 630-728-8112** or **Jeanne Cordes at 708-846-5712**. Please keep the top half of this form so you have their contact info.

Yes, please sign me up for the Uniform Committee. I have checked off my available dates to help below.

UNIFORM COMMITTEE VOLUNTEER DUTIES

Volunteer Tasks

During the summer, we send uniforms to the cleaners. When the uniforms are returned, we need volunteers to help reassemble and return the uniforms to the proper carts, as well as distribute/fit the uniforms. We also need help hemming the uniform pants.

This is in August, date TBD.

These are the procedures during home football games and competitions:

Home Football Games

Meet at WVHS in the upstairs storage room. Go up the stairs by the band room. Move carts into the hall outside of the storage room. Help students locate their uniform, hat, shoes and gloves. After all the uniforms are taken from your cart, go downstairs by the band room and help the students tape their sleeves before putting on their gauntlets. Also, make sure all hair is tucked up under hats and their shoes are clean.

After half-time show, return to the uniform carts to collect the uniforms. The students will hang uniforms on their hanger and they will bring them back to the carts. You need to make sure the pants are placed on the hanger properly. You also need to check the hatbox for hat, plume and gauntlets. The gloves are placed in the glove basket if there is no competition the following day. If there is a competition the gloves are placed in the hatbox. Everything needs to be checked before the student is dismissed.

Competition Days

Go upstairs to the storage room. Help bring the carts down the elevator to be loaded on the trucks.

At the competition help the students locate their uniforms. Help with taping the sleeves, putting hair up, etc. After the students perform, return to the carts to put the uniforms back. Again, check to make sure all pieces are present and the uniform is properly hung on the hanger before the student is dismissed. The gloves remain in the box if they make finals; otherwise they go in the glove basket.

If the band makes the finals, the students will put on their uniforms again. Follow the same procedure as before.

When we return to WVHS, please help bring the carts into the school in the hall against the wall across from the band room.

NOTE: On the competition days there are a limited number of tickets given to Mr. Carroll for the Pit Crew and Uniform Volunteers. He never knows how many he will get. Mr. Carroll will decide who gets the tickets. Pit Crew always gets first allotment since they need to be on the field with the Marching Band. Always come prepared to pay your entrance fee.
